Women Empowerment Poems

International Women's Day 2019: 5 Empowering Poems for the Feminist in You

Believe it or not, poetry can change the world. Here are five from some of the best poets we know.

Friday 19th April 2019

Here's a little emotional but empowering poem about the power and resilience of the woman in the face of hardship.

The unforgiving entanglement of Venus and Mars. Women are from Venus and men are from Mars but their fate is written in a web of constellations. Strings controlling their limbs. Shells of constellations.

Poems on women empowerment are the best way to convey your love towards women near you whether it is your mother, your sister, or any other women who plays an influential role in your life.

Here are some of the best poems on women empowerment in Hindi poems on women empowerment in English poems on women empowerment for mother poems on women empowerment for sister, empowering women poems written by famous poets.
