I had to use the toilet in front of other people quite frequently when I was a kid. I was often constipated so the adults around me were very vigilant about my toilet habits. It started with my parents making me sit on the toilet to try each morning usually with the door open so they could come in and check on my progress. The 13 best stock photos of women on the toilet lady models you're a looong way from the fashion week runway safe for work posted on August 03 2012 16 25 GMT.
