Wonder Woman Bondage Stories

Wonder Woman was one of only a few symbols of womanhood who could be considered strong enough to win so big a battle and she was enjoying a revival in the 1970s in 1972. Gloria Steinem and the cofounders of ms magazine picked Wonder Woman to be the cover girl of its first issue, looking back Wonder Woman s earliest adventures are a little strange. The first Wonder Woman comic was filled with bondage submission and domination and even spanking games with small, David E. Kelley s incarnation of Wonder Woman isn t the only version likely never to see the light of day. Recently, an image from a never before seen Bill Sienkiewicz and Frank Miller pitch was unearthed. Entitled simply Wonder Woman, bondage, it was never sent to DC and was actually never meant to be published. More bondage of Wonder Woman means its another golden age comic so in this comic Wonder Woman is held hostage on a trim private yacht her kidnapper got ahold of her lasso and even Wonder Woman is no match for her own lasso. The story of Wonder Woman s bondage is the reason she felt stiff the moment she opened her eyes. She is carried by a tall female figure slightly shorter than Wonder Woman but her body is definitely comparable in size and proportions. She is covered in shiny latex from head to toe. She is wearing a hood with a top hole for her high pony tail to tunnel out. More bondage of Wonder Woman means its another golden age comic so in this comic Wonder Woman is held hostage on a trim private yacht her kidnapper got ahold of her lasso and even Wonder Woman is no match for her own lasso.
